A	WO 01/36977 A2 (MATRITECH, INC.) 25 May 2001; see the examples in particular.					
A	US 6228654 B1 (Chait et al.) 8 May 2001; see the examples in particular.					

INTERNATIONAL SEARCH REPORT

Information on patent family members

International application No. PCT/AU03/01063

This Annex lists the known "A" publication level patent family members relating to the patent documents cited in the above-mentioned international search report. The Australian Patent Office is in no way liable for these particulars which are merely given for the purpose of information.
